

Lake Central Band Boosters Annual Membership Drive 2011-2012

We want to welcome all the Lake Central Band and Guard students to the 2011-2012 band program season. The Lake Central Band Boosters Board is inviting all parents and supporters of the Band and Guard to show their support by becoming a member in the Lake Central Band Boosters. We are a non-profit organization, recognized under IRS section 501 (c) (3), which supports all the bands, color guard, and drumline activities throughout the school year. Band Boosters members are assured of receiving the monthly newsletter via our web site. All band and guard parents are encouraged to participate in monthly Boosters Meetings, and show their support of the program by becoming members.

Band Boosters support is accomplished by parent volunteers who chaperone for numerous activities, assist the directors and the students, and also provide financial support through fundraisers and donations to augment the band program beyond what is raised by school fees. Currently, we are seeking to raise through various fund raisers, membership drives, and business sponsorships over \$130,000 for this year's program.

Membership is \$25.00. With your investment not only will you be supporting your student, you will be able to enjoy the benefit of 10% discount on Booster sponsored events such as, Fall Band Dance, Jazz/Scholarship Dinner, Golf Outing and Awards Night.

You may join by submitting the attached form to a Boosters Board member or enclose it in an envelope marked "Membership Drive", along with your check made out to Lake Central Band Boosters. The envelope can be put in the mailbox in the Band Room at the high school or mail it to us at:
