WOW! 2011 is off to a great start! The tribe of pride is doing an amazing job learning the 2011 show. We are a little over half way through the learning process and this is going to be a show to see! Special thanks to all of the members for their hard work. A very special thanks to the pit crew for the fabulous start we have had with the first few football games. I look forward to seeing all of you at a show!

Hello all,

With school back in session this can only mean one thing, Marching Band performances begin. While the directors and students have been working on perfecting the performance. The boosters have been working on uniforms, equipment and raising funds to support the group.

With 200 students the cost to run the program is in excess of 130K. We all have our band fees, however we primarily fundraise the majority. For example, discount cards, the first \$50.00 go to the boosters. Imagine if 100 families do not sell the first ten cards, now we are at \$5000.00! That is a lot to try to recover.

Many have gone over and above, thank you!

I urge you to do your part to support the program and these hard working students.

Thanks, Dale

We are heading to the end of car raffle so it is vital that you sell at least the one package of tickets you were given.

This is one of our largest fundraisers and we need all of your help. Remember we have to work a little to get the rewards we are looking for. Thanks so much to those who walked parades, did corn roast or sold at stores, we thank you!

Looking forward we will have candles, cookies & more later this month.

The next largest fundraiser is the craft fair, always a great event with many vendors. We are looking for more help for this day. Contact Debbie Schymanski or Diane Pidrak if you can help.

Thanks Keith & Debbie
