Come join the Band Boosters Board for a presentation and discussion about the Band Programs from the parent's perspective. **We want to especially invite all the Freshman parents to join us for this informative evening.** We'll talk about the summer rehearsals, Band Camps, and the upcoming competition season. We will discuss how parents can help with the program and become involved with the Band Boosters.

So come out and meet some of the other parents, learn about the myths and realities of the Band program from a parent's perspective, and learn what a great program and opportunity your child is involved in.
