

Lake Central Band Boosters Annual Membership Drive 2009-2010

It is a pleasure to welcome all the Lake Central Band and Guard students to the 2009-2010 band program season. The Lake Central Band Boosters' Board is inviting all parents and supporters of the Band and Guard to show their support by becoming a member in the Lake Central Band Boosters. We are a non-profit organization, recognized under IRS section 501 (c) (3), which supports all the bands, color guard, and drum line activities throughout the school year. Band Boosters' members are assured of the monthly newsletter being available via our web site to all band and guard parents, encouraged to participate in monthly Boosters' meetings, and show their support of the program by becoming members.

Band Boosters support is accomplished by parent volunteers who chaperone for numerous activities, assist the directors and the students, and also provide financial support through fundraisers and donations to augment the band program beyond what is raised by school fees. Currently, we are seeking to raise through various fundraisers, membership drives, and business sponsorships over \$130,000 for this year's program.

Membership is \$25.00. This will be the best investment you will ever make with your money. The enjoyment that this program will bring to you has 100% return on it.

You may join by submitting the attached form to a Boosters' Board member or enclose it in an envelope marked "Membership Drive", along with your check made out to Lake Central Band Boosters. The envelope can be put in the mailbox in the Band Room at the high school or mail it to us at:

Lake Central Band Boosters—P.O. Box 296—Scherverville, IN 46375
